

Editor's Comment:

Based on the Authors' answers/clarifications to Reviewers' comments and their modifications in revised manuscript entitled, "Identificationapproaches", this manuscript may be accepted for publication in AJBGMB on the basis of further modification of references in numericals within third brackets throughout the manuscript text, corrections of plants' names in italics in Introduction, and corrections in overlapping of data in Y-axis of Figure 2.

Editor's Details:

Dr. Ardhendu Kumar Mandal
Principal Technical Officer, India.
