

Editor's Comment:

The authors should address these comments. Besides, I also point out these issues

1. Add another 2 keywords.

2. The authors should control the number of the whole abstract.

3. The authors should update the literature, specially the year of 2023-2024, in the section of "Introduction", the following can be cited, I suggest that

Yi, R. et al. (2020). Entrepreneurial passion, entrepreneurial expectation and entrepreneurial decision-making among college students. *Journal of Psychology in Africa*, 30(4), pp. 323–329. doi: 10.1080/14330237.2020.1796094.

Yi, R., Liu, S. and Lyu, B. (2023). A bibliometric and visualization analysis of Artisan entrepreneurship. *Technology Analysis & Strategic Management*, pp. 1–15.

doi: 10.1080/09537325.2023.2290152.

Yi, R., Cao, Y., Lyu, B., & Huang, Q. (2024). Social entrepreneurship orientation and corporate dual performance: A serial mediation model. *South African Journal of Business Management*, 55(1), early access. doi: <https://doi.org/10.4102/sajbm.v55i1.4434>

4. The authors should check the format of all tables and figs.

5. Add some references behind and the number of present versions is very small.
