EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>Quantification required in abstract for holistic approach, Lacking of key research highlights in the concerned abstract of the paper. Revision is required</p> <p>The references are insufficient and require new / recent reference, several references are missing</p> <p>It is also not arranged as per format of journal, which is essentially required</p> <ol style="list-style-type: none"> <li>The introduction part need to well structured, it is submitted in immature state. More reference should be added in this section.</li> <li>Material and methods part is too short and having lack of structure, kindly elaborate the methodology.</li> <li>The result and discussion is not written with the reason and proper justification of the result and discussion parts are extremely poor, the results part is needed to be statistically sound.</li> <li>At every page comments and suggestion has been added for update, please incorporate</li> <li>Results need more explanation along with elaborative discussion with interlinkage of parameters. Not sufficient in discussion and also, not recent.</li> <li>Conclusion part is poor, it should be based on the given contents.</li> <li>None of the references are according to format of the journal, and also only few references are matching.</li> <li>Most of the references are not mentioned in the text but it is added at the end of reference. Please add that one.</li> <li>Review has been done in track change method also, and comments added in box for incorporation.</li> </ol> <p>what is the justification of using both term, how much remote sensing data have you used? title should be revised</p> <p>Lacking of key research highlights in the abstract</p>	<p>The references are appropriate and the information is added from my thesis I have added recent references</p> <p>Okay sir/ma'am. I have added additional information.</p> <p>Okay sir/ma'am. I have added additional information.</p> <p>Okay sir/ma'am.</p> <p>Okay sir/ma'am.</p> <p>Okay sir/ma'am.</p> <p>Okay sir/ma'am.</p> <p>Okay sir/ma'am. I have added recent references</p> <p>I have added recent references</p> <p>Okay sir/ma'am.</p> <p>soil survey was conducted on the Chikkumbi-3 microwatershed utilizing the IRS P6 LISS-IV image and the Belagavi district toposheet I have included additional information</p>
