

Editor's Comment:

It is my great pleasure to inform you that the following manuscript should be accepted for publication in JEAJ after minor revision according to the comments

1) Keywords: Character association, path coefficient analysis, Okra, Direct effect, indirect effects

The keywords should be given in order of alphabets.

2) Table:1> Table 1. And The title of Table should not use scientific name.

3) Table:2> Table 2. And The title of Table should not use scientific name.

4) The number of references should start from No.1 in the text, and the references should be listed according to the numbers rather than alphabets.

Editor's Details:

Prof. Lanzhuang Chen
