

Review Form 1.7

Journal Name:	Journal of Scientific Research and Reports
Manuscript Number:	Original Manuscript_JSRR_117948
Title of the Manuscript:	New host record of invasive thrips, Thrips parvispinus (Karny) (Thysanoptera: Thripidae) on mungbean in Gujarat, India
Type of the Article	research

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<p>1. The manuscript has importance locally (Gujarat, India), but I'm not confident that it will have widespread interest in the overall readership. The importance of pulses internationally should probably be addressed by the author(s) either in the abstract or the Introduction to spur interest in this article.</p> <p>2. Yes.</p> <p>3. Yes, it accurately reflects the content of the manuscript.</p> <p>4. Yes, the structure of the manuscript is appropriate.</p> <p>5. Yes, the author provides sufficient evidence of a novel thrip infestation.</p> <p>6. Yes, references are current and provide sufficient background to the reader.</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>Overall, the quality is good, but the manuscript requires some editing related to punctuation and grammar (verb tense, incomplete sentences, noun/verb agreement). Some terms seemed very colloquial, like "pulse." Perhaps some explanation of these terms may benefit the broader audience.</p>	
<p>Optional/General comments</p>		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Are there ethical issues in this manuscript?</p>	<p><i>(If yes, Kindly please write down the ethical issues here in details)</i></p>
