Manuscript Number:	<b>Ms_AJESS_117499</b>
Title of the Manuscript:	<b>ENHANCING THE LANGUAGE EDUCATION OF STUDENTS WITH SPECIAL NEEDS IN NIGERIA THROUGH INFORMATION AND COMMUNICATION TECHNOLOGY (ICT): CHALLENGES AND PROSPECTS</b>
Type of the Article	

## Review Form 1.7

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p><b>Compulsory</b> REVISION comments</p> <ol style="list-style-type: none"> <li><b>Is the manuscript important for scientific community?</b> (Please write few sentences on this manuscript)</li> <li><b>Is the title of the article suitable?</b> (If not please suggest an alternative title)</li> <li><b>Is the abstract of the article comprehensive?</b></li> <li><b>Are subsections and structure of the manuscript appropriate?</b></li> <li><b>Do you think the manuscript is scientifically correct?</b></li> <li><b>Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</b></li> </ol> <p><b>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</b></p>	<ol style="list-style-type: none"> <li><b>The manuscript</b> is likely important for the scientific community because it discusses the role of ICT in enhancing language education for students with special needs in Nigeria. This is a relevant topic that can improve the lives of these students.</li> <li><b>The article</b> is suitable because it accurately reflects the content of the manuscript.</li> <li><b>The abstract</b> is comprehensive because it summarizes the main points of the article, including the benefits of ICT for students with special needs, the challenges of using ICT in Nigeria, and recommendations for successful implementation.</li> <li><b>The subsections and structure of the manuscript</b> appear to be appropriate. The manuscript is divided into clear sections that logically flow from one topic to the next.</li> <li><b>The manuscript</b> appears to be scientifically correct based on the information presented. The authors cite relevant sources to support their claims. However, it is important to note that I am a large language model and cannot definitively assess the scientific accuracy of the manuscript.</li> <li><b>The references</b> are mostly sufficient in terms of covering the topic, but there could be room for improvement on recency</li> </ol>	
<p><b>Minor</b> REVISION comments</p> <ol style="list-style-type: none"> <li><b>Is language/English quality of the article suitable for scholarly communications?</b></li> </ol>	<p>Yes, the language/English quality of the article is mostly suitable for scholarly communications. Here's a breakdown of the strengths and weaknesses:</p> <ol style="list-style-type: none"> <li><b>Strengths</b> <ol style="list-style-type: none"> <li>Formal tone and appropriate vocabulary</li> <li>Uses references to support claims</li> <li>Well-organized structure</li> </ol> </li> <li><b>Weaknesses</b> <ol style="list-style-type: none"> <li>Some grammatical errors (e.g., missing commas, subject-verb agreement issues)</li> <li>A few instances of informal language ("tear" instead of "tears" in the funding section)</li> <li>Repetitive sentence structure in some places</li> </ol> </li> </ol>	
<p><b>Optional/General</b> comments</p>	<p>General comments</p> <p>Here are some general comments on the article:</p> <ul style="list-style-type: none"> <li><b>Strengths:</b> The article provides a good overview of the potential benefits of using ICT in language education for students with special needs in Nigeria. It covers a variety of challenges and offers recommendations for overcoming them.</li> <li><b>Weaknesses:</b> The article could be strengthened by providing more specific examples of how ICT is being used in Nigerian schools for students with special needs. It could also delve deeper into the specific challenges faced by different disability groups (e.g., hearing impaired vs. learning disabled).</li> <li><b>Additional recommendations:</b> <ul style="list-style-type: none"> <li>Consider condensing the introduction and conclusion to focus more on the core arguments.</li> <li>Ensure in-text citations match the reference list.</li> <li>Proofread carefully to eliminate grammatical errors and inconsistencies.</li> </ul> </li> </ul>
