

Review Form 1.7

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_118559
Title of the Manuscript:	PERFORMANCE OF RIDGE GOURD (<i>Luffa acutangula</i>) HYBRID GENOTYPES AND GENETIC DIVERSITY
Type of the Article	Experimental agricultural research

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<p>1-Ridge gourd is commonly used in traditional Indian medicine systems to treat splenic enlargement, Vata, Kapha, anemia, and leucoderma. Ridge gourd has several health benefits, including being a great blood purifier and having laxative qualities. Hill pumpkin production varies depending on location and season. Therefore, it is necessary to determine the stable varieties suitable for the season and the region in which it is to be grown. Genetic expression of the different types also helps to produce varieties that are resistant to diseases, of high quality, and of high productivity, at a lower cost.</p> <p>2- unsuitable I suggest changing the title to: Hybrid genotypes and genetic diversity of Ridge gourd (<i>Luffa acutangula</i>).</p> <p>3. Yes 4. Yes 5. Yes 6. Yes</p> <p>I ask the researcher to point to the sources in the body of the research and not just in the list of sources</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>Yes, the quality of the language is suitable for research</p>	
<p>Optional/General comments</p>		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Are there ethical issues in this manuscript?</p>	<p><i>(If yes, Kindly please write down the ethical issues here in details)</i></p>
