Title of the Manuscript:	UNUSUAL LOCATION OF SYNOVIALSARCOMA OF THE ABDOMINAL WALL: ABOUT A CASE AND REVIEW OF THE LITERATURE.
Type of the Article	Case report

Review Form 1.7

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<p>Case report are always important, since they help to diagnose and manage future cases. This manuscript describes Synovial sarcoma of the abdominal wall which is unusual but not rare, since approx. 50 plus cases have been reported in the literature.</p> <p>Suitable.</p> <p>Yes it is comprehensive.</p> <p>Appropriate.</p> <p>Yes it is scientifically correct.</p> <p>References are sufficient but only 2 out of 14 are within last 5 years.</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>English quality of the article is suitable but has many mistakes, some of them have been mentioned in review comments. It seems that article has been written in some other language probably French and then translated into English.</p>	
<p>Optional/General comments</p>	<p>References can be updated. In face google scholar has mentioned at least 850 references of synovial sarcoma of abdominal wall in 2023 and 2024. (Ref: https://scholar.google.com.pk/scholar?as_ylo=2023&q=synovial+sarcoma+of+abdominal+wall&hl=en&as_sdt=0,5)</p> <p>Some latest reference are as follows.</p> <ol style="list-style-type: none"> 1. Racem T, Mehdi D, Ahmed G, Faten S, Amen D, Adnen C. Synovial sarcoma of the abdominal wall: A case report for a rare entity with a challenging treatment. International Journal of Surgery Case Reports. 2023 Aug 1;109:108596 2. Zahra H, Kanwal N, Khalid MW, ur Rehman A, Ahmed KA, Tahir MJ. A rare case report of recurrent primary intra-abdominal synovial sarcoma: An unusual manifestation. Radiology Case Reports. 2024 Feb 1;19(2):647-50. 3. Mistarihi D, Obaideen A, Mukherji D, Faraj W. Incidental intra-abdominal synovial sarcoma. BMJ Case Reports CP. 2023 Dec 1;16(12):e255628. <p>So it is advised to update references please.</p>
