	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<p>Yes, because the teaching method will promote better understanding of how children learn.</p> <p>No, because the author did not develop the method. Suggested title: Assessment of Massenrempulu Local Wisdom Teaching Material for Childhood Education in Enrekang Regency The abstract needed to include design of study, sample size, instruments used, results and findings. Theoretical framework as subheading could have clearly justified use of Vygotsky theory. Design of study, area of study, sampling and sampling technique, recommendations are not found. Yes and also relevant.</p> <p>Not quite. Recent publications on integration of cultural education in childhood education Nielsen-Rodriguez et al (2021). Teaching methodologies and school organization in early childhood education and its association with physical activity. Int. J. Environ Res Public Health 18 (17), 3836 Mahyuddin et. Al (2022) Group Guidance Services based on Massenrempulu cultural value to improve student character. Edumaspul Journal Pendikem 6 (2), 3074-3072</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	Yes, it is	
<p>Optional/General comments</p>	Gaps in this study and previous studies are not clearly shown. A brief explanation of meaning of Massenpulu local wisdom is needed. Justification of this teaching method against others could make the paper richer. More literature needed.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
