

Review Form 1.7

Journal Name:	Cardiology and Angiology: An International Journal
Manuscript Number:	Original Manuscript_CA_117715
Title of the Manuscript:	A rare ischemic complication: tricuspid pillar rupture after anterior myocardial infarction
Type of the Article	Case report

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<p>Yes, the authors aimed to report a rare complication after acute myocardial infarction, tricuspid valve pupillary muscle rupture, and well described the diagnostic and management of this important adverse outcome. Yes.</p> <p>Yes, but could be improved.</p> <p>Yes.</p> <p>Yes.</p> <p>Yes.</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>Yes.</p>	
<p>Optional/General comments</p>	<p>This section is better to be revised:</p> <p>“The results of angioplasty were as follows: primary success of angioplasty of medium IVA after an aspiration thrombectomy with the placement of an active stent under Tirofiban + primary success of DC angioplasty with a placement of an active stent under Tirofiban. The patient is then put on an anti-ischemic treatment + Dual Antiplatelet Therapy (DAPT).”</p> <p>What is IVA? is it the same as LAD? If so, it's better to written as LAD.</p>
