Review Form 1.7

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<p>Yes, clinicians, scientists and epidemiologists.</p> <p>Since it's a brief review with few cases, I suggest to rephrase it to " A review of the effect of Vaping on the plasma levels of clozapine : case-series and implications in the clinic".</p> <p>Yes</p> <p>Yes</p> <p>yes</p> <p>Sufficient</p> <p>Most pharmacokinetic studies now include Genetic variations also. I would ask the authors to survey the PUBMED for few genetic correlates especially CYP40 polymorphisms and few related genes in metabolism of clozapine. Further, gender and culture (Country to country) socio-economic variables could be added to the review to strengthen it.</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>yes</p>	
<p>Optional/General comments</p>		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Are there ethical issues in this manuscript?</p>	<p><i>(If yes, Kindly please write down the ethical issues here in details)</i></p>
