

Review Form 1.7

Journal Name:	Journal of Experimental Agriculture International
Manuscript Number:	Original Manuscript_JEAI_118083
Title of the Manuscript:	GROWTH RESPONSE AND ECONOMIC VARIABILITY IN HYBRID PIGEONPEA TO NITROGEN AND PHOSPHORUS FERTILIZATION
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:
