

**Editor's Comment:**

After careful perusal of the revisions done by the authors as per recommendations by the reviewers, I hereby recommend the paper for ACCEPTANCE. The authors should pay attention to the face validity of the manuscript including the presentation of statistical tables. Do not present the raw SPSS outputs, modify it to reflect only the necessary information. Do not cut the tables.

**Editor's Details:**

Dr. Dennis Gamad Caballes  
School of Teacher Education, Graduate Program School of Teacher Education (Formerly School of Advanced Studies), The National Teachers College, Philippines.
