

Editor's Comment:

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed. These are marked in the Attachment.

Also,

- The organisation of the manuscript to be checked.
- Check gramer.
- In the text, do not use the first person "we", "our".

to have the text English proofread (mainly the article).

References should be checked.

All works cited in the text must be listed in the References.

to elaborate the bibliographic citation and references format according to the needs of ARJASS.
