<p>Optional/General comments</p>	<p>The manuscript entitled "Perception of Community Science students in relation to Vocationalization of B.Sc. Degree Program" provides a comprehensive overview of the topic and research focus, emphasizing the importance of vocationalization in B.Sc. Community Science degree programs. However, it should greatly benefit from addressing the specific revisions required in the curriculum design or discussing any limitations or gaps in the current research. Additionally, it would be valuable to explore the reasons behind the majority of students being undecided or neutral on the perception of viable vocational opportunities.</p>
