

Review Form 1.7

Journal Name:	Journal of Advances in Biology & Biotechnology
Manuscript Number:	Ms_JABB_112748
Title of the Manuscript:	Clinico-Hematological Effects of Nanosilver Administration in Wistar Rats
Type of the Article	

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<p>Yes</p> <p>Yes , I would prefer adding " oral " to the title</p> <p>The abstract is ok</p> <p>Yes</p> <p>The introduction is ok Methods: the source of the silver particles? Why only 5 rats been examined not all 35 rats ? The methods need more explanations, what exact investigations done ? Results: the table is so condensed , the P value is not clear , better to be divided The liver biopsy done in this study ? not mentioned in methods section " These alterations in morphology of erythrocytes may indicate the effect of the nanoparticles on haemoglobin synthesis during erythrocytes maturation in the bone marrow" , how ? Conclusion : "this study is evidence indicating that nanosilver has adverse effects on general health in Wistar rats" , baggy sentence need evidence from the text</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>Yes it is</p>	
<p>Optional/General comments</p>
