

Editor's Comment:

The manuscript should be accepted for publication after the minor revision as Follows

1, Table No. 1 Fatty acid composition of rapeseed-mustard seed oil

>>Should be **Table 1. Fatty acid composition of rapeseed-mustard seed oil**

2, Table:2 Diversified usage of oil with modified fatty acid composition.

>>Should be **Table 2. Diversified usage of oil with modified fatty acid composition**

3, Table 3 ?

s

S.No.	Breeding methods	Species	Name of varieties/lines	Remarks
01	Selection	<i>B. compestris</i>	Span	Zero Erucic acid
		<i>B. napus</i>	oro	Zero Erucic acid
02	Mutation	<i>B. juncia</i>		3.6% linolenic acid
03	Hybridization	<i>B. juncia</i>	EC287711, Shiva 1, QM 13, QM14, QM39 RW 21-61	Low erucic acid
			Zem-1 Zem-2	Zero & low Erucic acid respectively
Biotechnological Approach				
04	Somaclonal Variation	<i>B. juncia</i>	Pusa jai kisan	Isolated from Varuna
05	Anther culture	<i>B. napus</i>	Winfield	Canola type
06	Transgenic	<i>B. compestris</i>	Laurical	Lauric acid content
07	Transgene(s) Antisense fae 1	<i>B. juncea</i> and <i>B. napus</i>		Low erucic acid

>>**There was no Table title given. if it is Table 3, the table title should be given.**

4, Table 7.

>>should be **Table 3**.

5, Reference

After No. 23, no number is given so that all the numbers of references should be given.
