

### **Editor's Comment:**

Greetings the day and attached file here include the article correction to explain and the second decision about Ms\_JABB\_114032. Titled: Enhancing Plant Growth: Harnessing the Effectiveness of Artificial Light was sent to be published in the Journal of Advances in Biology & Biotechnology.

Title : Enhancing Plant Growth: Harnessing the Effectiveness of Artificial Light(Ms\_JABB\_114032).

JournalofAdvancesinBiology&Biotechnology

Inadditiontotherevisioncommentsfoundthefollowing:

1. The article is still lacks scientific research methodology and is considered aneducationalandguidancearticleforgeneralcultureandespeciallyforfarmers.
- 2- The summary is still unclear and does not include the aim of the article or theresults. What the author or authors did was replace one paragraph with another(Red color)thatdoesnotaddanything scientific.
- 3- The introduction as it is has not been reworded to improve the presentation ofthearticle well,as lmentioned in the previousreport.
- 4- The materials and methods used were not mentioned in the article, as mentionedinthe previousreport.
- 5- The author did not specify the plants used and the methods of using artificiaallight.
- 6- Authorremoveorforgiveparagraphno77-Erarrangementofnumberasred color
- 8-ThearticlewasnotlinguisticallycorrectedbytheEnglishlanguageeditor.

Decision

This article not reformulation and need scientific corrections.
