EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>Title : Enhancing Plant Growth: Harnessing the Effectiveness of Artificial Light (Ms_JABB_114032). Journal of Advances in Biology & Biotechnology In addition to the revision comments found the following :</p> <p>1- The article entitled "Promoting Plant Growth: Harnessing the Effectiveness of Artificial Light" is important and the title suitable.</p> <p>2- Author made an effort to explain the benefits of using artificial light in the growth of crops, seedlings, and gardening.</p> <p>3. The article lacks scientific research methodology and is considered an educational and guidance article for general culture and especially for farmers.</p> <p>4- The summary is not clear and does not contain the aim of the article, how to address the idea of the article, and there are no specific results obtained.</p> <p>5- The introduction needs to be reformulated to improve the presentation of the article well.</p> <p>6- The article did not explain the materials and methods used and the costs of using the effectiveness of artificial light to obtain practical results in this article or other research.</p> <p>7- Author did not specify the methods of using artificial light, its type and specifications for plant growth, and also did not specify which type of plants were used.</p> <p>8- Author must detect the type or types of plants that were studied and their comparison with other plants using practical, scientific and statistical methods.</p> <p>9- Author does not report any results obtained in this article or in other research.</p> <p>10- The article contains repetition of the same sentences in several places, and this must be corrected by rephrasing the article to suit all readers and followers.</p> <p>11- The references are recent and need to be compared with other references that contain internal results for evaluation.</p> <p>12-The article must be corrected by English editor.</p> <p>1.</p>	<p>Done</p> <p>Done</p> <p>NA</p> <p>Done</p> <p>NA</p> <p>NA</p> <p>NA</p> <p>NA</p> <p>It has been discussed in graphical abstract</p> <p>NA</p> <p>Done</p> <p>References are updated 2015 onwards.</p> <p>Done</p>
