The development of distribution channels and government policies every year there must be updates so that references and years are adjusted.</p> <p>The object of this research is no update, it can only add references in certain party decision making. This analysis in the relevant agencies conducts this kind of analysis.</p>	
<p><b>Comments MINOR REVISIONS</b></p> <ol style="list-style-type: none"> <li>1. <b>Is the quality of the article in English/English suitable for scientific communication?</b></li> </ol>	<p style="text-align: center;">Appropriate</p>	
<p><b><u>Optional/General comments</u></b></p>	<p>This research is quite good, it's just that it needs to be added variables that can affect distribution channels so that farmers do not always lose every harvest.</p>
