

**Editor's Comment:**

The paper is written well; however, the scientific names should be italicized in the references section and all over the text. Please add a citation for soil analysis in the materials and methods section. Based on the revision of this manuscript, the decisions of both reviewers, and the author's feedback, the revised version is accepted for publication.

**Editor's Details:**

Prof. Nesreen Houssien Ahmed Abou-Baker  
National Research Centre, Egypt.
