If you have suggestion of additional references, please mention in the review form.</p> <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<p>Yes. As it is a study of how have affected the social health of single mothers in River State's Obio/Akpor L.G.A.</p> <p>Yes. Could be adjusted: "Perceived Impact Of Covid-19 On Social Health Of Single Mothers In Rivers State" Declare Obio/Akpor L.G.A as the sample to be studied.</p> <p>Yes, the abstract Is comprehensive. Although the objective of the article is not stated</p> <p>Elements are missing. The absence of a subsection that exposes the manifestation of the phenomenon studied internationally and in Nigeria particularly is noted. The Conclusions must be reviewed as they are too poor and fail to generalize the main contributions.</p> <p>There is a lack of further discussion with the outstanding approaches to the topic at the international level and in the nation where the phenomenon is studied.</p> <p>There are recent but not sufficient references, it is necessary to make greater use of leading authors in this study at an international level, their scope and critical analysis of the arguments.</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	Yes	
<p>Optional/General comments</p>	The adjustments suggested in the next section must be made.
