It is important to define the scope of the study since it is a national journal.</p> <p>Abstract ok</p> <p>The study have some deficits on the structure, for instance the statement of the problems need to well-articulated and the research questions that were supposed to guide the study were omitted.</p> <p>The manuscript is scientifically correct from my perception</p> <p>The paper is well researched based on the number of referenced paper but need a second look at the reference and ensure that non-cited work should be removed from the text.</p> <p>I have extensively commented on the paper and method of the study need to recast</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	yes	
<p>Optional/General comments</p>
