If you have suggestion of additional references, please mention in the review form. <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<p>I went through the whole article. In this research, the slow release fertilizer used has been stated to be insiabeen - 40 %. There is no record of any such fertilizer being used as a source of nitrogen in plants. I would like to request you to please inform the researcher to kindly review whether the fertilizer used was Insiabeen - 40 % or any other product. According to my knowledge, if the fertilizer used has been insiabeen - 40 %, then the entire research is incorrect and just a research on paper. It is for your kind information. Regards</p>
