Type of the Article	Original Research Article

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<p>Yes, it is important especially to the Human Relations Office. The manuscript investigated the influence of teachers' qualification on the performance of the students. The result could be a basis for the school administrator in hiring teacher applicants in order to achieve quality education.</p> <p>Yes</p> <p>Yes, but please make the necessary corrections as indicated in the article.</p> <p>The Conceptual Framework and the paradigm should be a separate section. It must be removed under the Literature Review section.</p> <p>Yes.</p> <p>References should be from 2017 to present. Please look into other references especially those 2011 etc...</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>Yes.</p>	
<p>Optional/General comments</p>	<p>Under the section Results and Discussion, the needs to give the implications of the results, add corroborations that will support the result of the present study. I advise that the author should avoid table reading since the results are very visible from the table or chart already.</p>
