

**Editor's Comment:**

In the latest version of "Analysing the Nexus between the Financial Sector and Economic Growth in Nigeria: A Comparative Investigation using , BVAR, Linear Regression (OLS), and PPML Models", on page 4, are the following references:

-Basher et al. (2019), in line 7,

-Ferreira et al. (2021), in line 12,

-Uddin et al. (2018), in line 17,

which I can't find in the final reference list.

Therefore, before making a final decision, I suggested that the authors check these flaws and others that may exist, and carry out a review of the English looking for small spelling errors and check verbal agreements.
