

Review Form 1.7

Journal Name:	Archives of Current Research International
Manuscript Number:	Ms_ACRI_113664
Title of the Manuscript:	Insect Pests in Agriculture Identifying and Overcoming Challenges through IPM
Type of the Article	

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <ol style="list-style-type: none"> Is the manuscript important for scientific community? (Please write few sentences on this manuscript) Is the title of the article suitable? (If not please suggest an alternative title) Is the abstract of the article comprehensive? Are subsections and structure of the manuscript appropriate? Do you think the manuscript is scientifically correct? Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<ol style="list-style-type: none"> The manuscript contains general important information, but it lacks novelty for the scientific community. The title of the article is appropriate. The abstract is comprehensive but could benefit from being more concise. The theoretical subsections and manuscript structure are well-organized. The manuscript presents accurate scientific information. However, to strengthen its suitability for publication as a scientific article, consider expanding on the analysis and interpretation of the data, providing more in-depth discussion of the research's implications, and ensuring all sections adhere to the journal's formatting and referencing guidelines Regarding citation: While all references are listed appropriately, they seem to be missing in-text citations within the manuscript itself. Please make sure each reference is cited correctly within the text according to the journal's formatting guidelines. 	
<p>Minor REVISION comments</p> <ol style="list-style-type: none"> Is language/English quality of the article suitable for scholarly communications? 	Yes, English quality of the article suitable for scholarly communications	
Optional/General comments
