

Editor's Comment:

The research manuscript is original and descriptive.

The title is relevant.

The abstract is significant.

The Keywords are related.

The Introduction is properly explained.

The objectives are justified.

The literature review is connected.

The research methodology is properly explained.

The summary and conclusion are comprehensive.

The references are enough.

I recommend this article entitled " Effects of Inventory Management Practices on Operational Performance in Mombasa County Government, Kenya" for publication.
