<p>Compulsory REVISION comments</p> <ol style="list-style-type: none"> Is the manuscript important for scientific community? (Please write few sentences on this manuscript) Is the title of the article suitable? (If not please suggest an alternative title) Is the abstract of the article comprehensive? Are subsections and structure of the manuscript appropriate? Do you think the manuscript is scientifically correct? Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<p>The topic is very demanding in the current situation. It communicates the issue and engages the audience to the veracity of the topic.</p> <p>The title is very engaging and relevant to the variables portraying female issues on social media platforms. However, it would be more appropriate if the title contained the information (for example: platform, variables, etc).</p> <p>The abstract lacks the significance and outcome of the study and the reference of Bourdieu's habitus is missing.</p> <p>The data is relevant but subheadings are missing which clearly defines the objectives, questions, rationale, and significance.</p> <p>The manuscript has many grammatical errors such as in the introductions' first line should be (Women have) and many more.</p> <p>Citations need to be revised and also check cross-references.</p>	
<p>Minor REVISION comments</p> <ol style="list-style-type: none"> Is language/English quality of the article suitable for scholarly communications? 	<p>The language used is academic but there is a need to revise grammar.</p>	
<p>Optional/General comments</p>
