

**Editor's Comment:**

After comparing all reviewer comments in the manuscript, in my opinion, I have come to the decision that manuscript is in acceptable form after minor revision

Note:

- 1) rewrite conclusion
- 2) used SI format in all manuscript
- 3) reference are not quoted in material and methods.

**Editor's Details:**

Dr. Rishee K. Kalaria  
Assistant Professor, Aspee Shakilam Biotechnology Institute, Navsari Agricultural University, India.
