

Review Form 1.7

Journal Name:	International Journal of Environment and Climate Change
Manuscript Number:	Ms_IJECC_114180
Title of the Manuscript:	Performance Of Chia (Salvia hispanica L.) Under Spacing And Nutrient Management Practices in Cauvery Command Area
Type of the Article	Original Research Article

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<p>1. This study investigates the impact of different spacing and nutrient management practices on the performance of chia (Salvia hispanica L.) in the Cauvery Command Area. The findings of this research could provide valuable insights for farmers and agricultural practitioners in the region, helping them optimize their cultivation practices to enhance chia production.</p> <p>2. The title of the manuscript is suitable for readers.</p> <p>3. The abstract of the manuscript provides a comprehensive overview of the study.</p> <p>4. Subsections and structure are good.</p> <p>5. This manuscript has all the advantages of a research article and it is scientifically important.</p> <p>6. Manuscript has sufficient references</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	The written language of the article was understandable for the readers.	
<p>Optional/General comments</p>		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Are there ethical issues in this manuscript?</p>	<p><i>(If yes, Kindly please write down the ethical issues here in details)</i></p>
