<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p style="text-align: center;">Moderately</p>	
<p>Optional/General comments</p>	<p>It seems a worth work. Generally good but, Introduction should be more about the significant challenge of armyworm Spodoptera frugiperda to the global agriculture. And conclusion can be described much more due to the analyse results, in my opinion.</p> <p>Wasconducted correct Thatpopulation correct All abbreviations should be written in detail for one time at least at abstract or introduction days.However correct analysed correct Themimum correct Significantlybetter correct genotypesMH correct upto correct jassid write the Latin name them.The correct</p>
