

**Editor's Comment:**

The authors have now revised the manuscript as mentioned and it is now ready to be published. However, I have made some changes, marked in red colour. Queries may be sent to the authors during galley check. One math font after equation (1) should also be checked by the authors, because of the appearance of a comma between the two suffixes. I am attaching the final manuscript that would go to the publisher.

**Editor's Details:**

Dr. Abhik Kumar Sanyal (Retd.)  
Associate Professor, Jangipur College, University of Kalyani, India.
