

**Editor's Comment:**

I've gone through the Peer Riew Report of the manuscript entitled "Nanotechnology And Therapeutic Interventions In Covid – 19: A Review" provided by 3 reviewers. One of the reviewers suggested to rename the title. I've also checked the authors response to the Reviewers comments as well as the revised manuscript. The authors have modified the manuscript as suggested by the Reviewers.

The manuscript may now be accepted for publication.
