

Editor's Comment:

The paper is accepted with revision.

Title may be modified to be

Massive hemoperitoneum due to rupture of surface vessels over uterine fibroid – A case report

This sentence "We report a case of a 38 years old women" can be changed to be "We report a case of a 38 years old woman". Please check all parts of the paper.

Please, add symbols to clarify the details of figures in figures' legend.

References should be checked carefully. There are some references that appear within the text but do not match that in the reference list. This include Varras M (10).
