EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
1. See attachment	<p>Research question one may not be framed as suggested by the reviewer because the focus is as regard to a particular qualification. It is not intended to make list of qualifications outside early childhood area. However, research question one has been reviewed in a manner that the purpose is not changed.</p> <p>Every other corrections have been effected.</p> <p>The researchers are grateful to the reviewers because their observations help to raise the quality of the study.</p>
