Review Form 1.7

Journal Name:	**Journal of Advances in Biology & Biotechnology**
Manuscript Number:	**Ms_JABB_116968**
Title of the Manuscript:	**Seasonal Incidence and Effect of Abiotic Factors on Mango Leaf Hopper (Amritodus atkinsoni L.) Population on Different Cultivars of Mango in Eastern Uttar Pradesh**
Type of the Article	

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments **1. Is the manuscript important for scientific community?** (Please write few sentences on this manuscript) **2. Is the title of the article suitable?** (If not please suggest an alternative title) **3. Is the abstract of the article comprehensive?** **4. Are subsections and structure of the manuscript appropriate?** **5. Do you think the manuscript is scientifically correct?** **6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.** **(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)**	**YES** **YES** Yes; subject to the corrections pointed out. YES YES YES, BUT SOME OF THEM ARE TOO OLD Chaudhari AU, Sridharan S, Soorianathasundaram K, Singh SD. Dynamics of Mango Hopper Population under Ultra High Density Planting. International Journal of Current Microbiology and Applied Sciences. 2017; 6(11):206-2211 Gundappa TA, Shukla PK. Seasonal dynamics of mango hoppers and their management under subtropics. GERF Bull. Bioscience. 2016; 7(1):6-9. Girish BR, sharanabasappa, kalleswara swamy CM Adivappar N. Population dynamics and dominance of leafhopper species on mango. Pest Management in Horticultural Ecosystems. 2019; 25(1):20-25 Provide the possible reasons for the differences in occurrence of mango leaf hoppers in the different mango cultivars apart meteorological factors and explain why the highest mango leaf hopper record was in Dasheri variety and the lowest in Sindhu variety.	
Minor REVISION comments **1. Is language/English quality of the article suitable for scholarly communications?**	YES	
Optional/General comments		

Review Form 1.7

PART 2:

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Are there ethical issues in this manuscript?	*(If yes, Kindly please write down the ethical issues here in details)*
