

Review Form 1.7

Journal Name:	Journal of Complementary and Alternative Medical Research
Manuscript Number:	Ms_JOCAMR_115518
Title of the Manuscript:	The Relationship between Smoking and Obstructive Sleep Apnea (Osa) in Students at the Faculty of Law, Indonesian Christian University Class 2018-2021
Type of the Article	

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<p>1. Sleep apnea affects about 20 percent of the population, and about 85 percent of people with sleep apnea don't know they have it, according to the National Sleep Foundation. Since this research deals with one of the risk factors of this problem, it is significant research.</p> <p>2. It seems that the title of the article is appropriate, although the title of the said article is the same as the author's thesis.</p> <p>3. The abstract of the article is acceptable.</p> <p>4. This research has no subsection.</p> <p>5. The present research is not consistent with the study of Jang, Y. et al. (2023) and the study of Zeng X et al. (2023), But it is consistent with the study of Wen-Yu Hsu et al.(2019).</p> <p>6. Research sources could be more up-to-date such as:</p> <p>Zeng X, Ren Y, Wu K, Yang Q, Zhang S, Wang D, Luo Y, Zhang N. Association Between Smoking Behavior and Obstructive Sleep Apnea: A Systematic Review and Meta-Analysis. Nicotine Tob Res. 2023 Feb 9;25(3):364-371. doi: 10.1093/ntr/ntac126.</p> <p>Ioannidou D, Kalamaras G, Kotoulas SC, Pataka A. Smoking and Obstructive Sleep Apnea: Is There An Association between These Cardiometabolic Risk Factors?-Gender Analysis. Medicina (Kaunas). 2021 Oct 20;57(11):1137. doi: 10.3390/medicina57111137.</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	I think this study needs minor revision.	
<p>Optional/General comments</p>	Checking and updating the references, re-reviewing the literature of the article.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Are there ethical issues in this manuscript?</p>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
