

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_124270
Title of the Manuscript:	Analyzing the contribution of Moringa oleifera (Lam.) to the CO2 stock and other advantages for urban residents
Type of the Article	Research paper

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
The results as stated by the author are incomplete. For instance, the following tables (Table 1, Table 2, and Table 3) are announced in the results and discussion subsections but these tables are absent. The author should include them in the manuscript because they are necessary for objective appreciation of the results	I have mention table no 1, 2 and 3 in manuscript
