

Review Form 3

Journal Name:	Journal of Experimental Agriculture International
Manuscript Number:	Ms_JEAI_122061
Title of the Manuscript:	Organic Farming for residue-free production
Type of the Article	

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Organic farming has emerged as a sustainable agricultural practice aimed at producing food without synthetic chemicals, pesticides, and genetically modified organisms (GMOs). This approach promotes biodiversity, soil health, and environmental sustainability while ensuring residue-free food production	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Somewhat	
Are subsections and structure of the manuscript appropriate?	Somewhat	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Organic farming is not just a method of agriculture but a comprehensive approach to creating a sustainable future. By prioritizing natural processes, enhancing ecological balance, and promoting fair relationships within the agricultural system, organic farming aligns with the broader goals of environmental protection, public health, and economic sustainability	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Yes	
Optional/General comments		

Review Form 3

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with the reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in detail)</i> NO
