Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	I do not like this manuscript because the title is about potato but in abstract I see about cauliflower results, besides constraints are not related with finding	
Is the title of the article suitable? (If not please suggest an alternative title)	ok	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Abstract should be corrected according to findings	
Are subsections and structure of the manuscript appropriate?	ok	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	I think methodology is sound but there are gap in results. 4 independent variables vs 6 independent variable differences are not rational at all.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Please provide some literature regarding justification of this work	
Minor REVISION comments
