

Review Form 3

Journal Name:	Journal of Scientific Research and Reports
Manuscript Number:	Ms_JSRR_125194
Title of the Manuscript:	Urban Entomology: Navigating the Intersection of Pests and Human Environments
Type of the Article	Review Article

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Helps in providing evidence based findings on how insect pests impact urban environments, human health and infrastructure. Such study fosters interdisciplinary collaboration, helping scientists to address growing challenges related to urbanization and pest management.	
Is the title of the article suitable? (If not please suggest an alternative title)	The title is appropriate	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract of the article is comprehensive	
Are subsections and structure of the manuscript appropriate?	Few more subsections like impact of climate change and urban pests, human insect interactions and future research directions may be included	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The manuscript is overall written well though some major corrections need to be made to make it scientifically sound. Also some information is similar to a recent review on Urban Entomology which should be avoided. Also, more focus should be given on reviewing the recent research papers related to Urban Entomology. Providing information on Urban Entomology studies in India will be appreciated.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The manuscript contains many old references which may be omitted and focus on the research of last 10 years	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	The language of the article is appropriate	
Optional/General comments		
	The changes suggested may be incorporated in the manuscript	

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
