

Review Form 3

Journal Name:	Asian Research Journal of Agriculture
Manuscript Number:	Ms_ARJA_124997
Title of the Manuscript:	In vitro efficacy of different fungicides and bioagents for management wilt of watermelon [Citrullus lanatus] incited by Fusarium oxysporum f. sp. niveum
Type of the Article	Research Article

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	The selected research topic is pertinent; however, the analysis of the results is deficient in rigor.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Numerous grammatical errors are present in both the abstract section and other sections of the text.	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The findings of this research indicate that the study has received approval.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. =	It is necessary to augment the number of references included in the work, and certain references require updating to reflect more recent findings in the field.	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	Numerous grammatical errors are present in both the abstract section and other sections of the text. Recommended grammatical corrections are indicated in red in the accompanying Word document.	
Optional/General comments
