

Review Form 3

Journal Name:	International Journal of TROPICAL DISEASE & Health
Manuscript Number:	Ms_IJTDH_124525
Title of the Manuscript:	Prevalence and of abnormal cervical cytology in federal teaching hospital Gombe.
Type of the Article	

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	The study is a good initiative for bringing the awareness regarding cervical carcinoma in the population. The third world countries need to run more government aided programmes for cervical screening and this topic is a step in that way. The screening itself is a big boon in preventing cervical carcinoma	
Is the title of the article suitable? (If not please suggest an alternative title)	No, PICO format not used	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Mentioned in the manuscript	
Are subsections and structure of the manuscript appropriate?	Modifications are mentioned in the section	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The tables provide a details of all the parameters counted. The statistics need to be applied clearly as to the aspect authors want to put the emphasis on. The discussion needs to be more robust	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Mentioned in the manuscript, the references are very outdated and need to be updated to last five years along with their DOI	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	No, needs grammar correction and formatting	
Optional/General comments	Major correction is required before publication. Needs a rereview.
