|                          |   |
|--------------------------|---|
| Journal Name:            | <a href="#">Journal of Scientific Research and Reports</a>  |
| Manuscript Number:       | Ms_JSRR_125487  |
| Title of the Manuscript: | Effect of Modified Atmospheric Storage on seed longevity of soybean [Glycine max (L.) Merrill] cv. DSb 34 |
| Type of the Article      | Original Research Article   |

**Review Form 3**

**PART 1: Review Comments**

| <b>Compulsory</b> REVISION comments   | <b>Reviewer's comment</b>   | <b>Author's Feedback</b> (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|---|---|---|
| Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.                        | The author described MAS for soybean seeds, the experimental combination may be further explored to be use for stack holders. However, it provides good foundation for seed storage of soybean seed. So it is important for scientific community. |   |
| Is the title of the article suitable?<br>(If not please suggest an alternative title)   | The name of the variety should be removed from title as commented on manuscript. (see checked/reviewed manuscript)  |   |
| Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.   | No, it is required to be modified as per the comments on the manuscript. (see checked/reviewed manuscript)  |   |
| Are subsections and structure of the manuscript appropriate?  | Ok, the numeric like 1, 2 2.1 etc. be deleted before the sub-sections. There are spelling mistakes , some of it I have marked with red. So read it thoroughly and correct the whole manuscript.   |   |
| Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part. | The author described MAS for soybean seeds, the experimental combination may be further explored to be use for stack holders. However, it provides good foundation for seed storage of soybean seed. So it is important for scientific community. |   |
| Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.   | yes   |   |
| <b>Minor</b> REVISION comments<br><br>Is the language/English quality of the article suitable for scholarly communications?   | No it requires modifications/revisions  |   |
| <b>Optional/General</b> comments  | no  |   |

**PART 2:**

|  | <b>Reviewer's comment</b>  | <b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--|--|--|
| Are there ethical issues in this manuscript? | <i>(If yes. Kindly please write down the ethical issues here in details)</i> |  |
