Review Form 3

Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?		
Optional/General comments	<ol style="list-style-type: none">1) The introduction section should identify the research gaps clearly.2) The introduction section is too small. Kindly, incorporate more citation and detailed literatures for pursual.3) Kindly, elaborate the methodology section more clearly. The detailed elaboration is necessary.4) Do you really think that the linear trend analysis is applicable in this context? Rather, non-parametric methods are more applicable here.5) Add a more detailed discussion section by highlighting the results of your research with other articles globally.6) Rewrite the conclusion section again by highlighting the key points of the article.
