

Review Form 3

Journal Name:	Journal of Advances in Biology & Biotechnology
Manuscript Number:	Ms_JABB_125199
Title of the Manuscript:	Evaluation of Therapeutic Response of Different Antibiotics in Subclinical Staphylococcal Mastitis in Goats
Type of the Article	Original Research Article

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Subclinical mastitis is a big and continuous challenge in dairy animals but are so too in small ruminants. This paper attempted to address the practical management of this condition in farmers level, focusing more specifically at early lactation. Therefore, this manuscript is of value for the field level animal health workers and to the interested all	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes, but minor enrichment is advised	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	There is some issue to mend, provided comments for it	
Are subsections and structure of the manuscript appropriate?	ok	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The manuscript was to fount to be weakly developed, many ambiguities were marked and pin pointed for improvement. Specifically, the results and discussion section as well as the conclusion section needs a thorough revisit and dedicated improvement	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes, its fine, but here too author must pay time to make it uniform and as per the specification of journal	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Needs improvement	
Optional/General comments
