

Review Form 3

Journal Name:	Archives of Current Research International
Manuscript Number:	Ms_ACRI_124604
Title of the Manuscript:	Physicochemical and mineral composition of different varieties of raisins from India
Type of the Article	Original Research Article

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	I appreciate the innovative angle, nutritional benefits, sustainability, cultural fusion, market differentiation, research opportunities, consumer trends and flavour exploration as well in this manuscript.	
Is the title of the article suitable? (If not please suggest an alternative title)	Satisfactory	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Satisfactory	
Are subsections and structure of the manuscript appropriate?	Yes, I found them appropriate.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The manuscript on Physicochemical and mineral composition of different varieties of raisins from India is scientifically robust due to it's comprehensive methodology, which includes a specific process, careful selection of ingredients. Additionally, it incorporates thorough chemical and sensory analysis to evaluate the impact on flavour and aroma, ensuring that the findings are both reproducible and relevant.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	1. Some references were found to be missing those which were added in the manuscript. 2. The name of the Journal mentioned in the references was not in Italics as it should be.	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	The language used is correct but needs some corrections like : 1. Even and proper spacing between words. 2. Removal of unnecessary Capitalization of some words. 3. Mention the name of bacteria and scientific names in Italics like <i>Saccharomyces cerevisiae</i> . 4. The article (a, an, the) used needs to be re-checked. 5. Rectify the spellings.	
Optional/General comments	The details, explanations, and findings are completely ok, well-elaborated and up-to-date. But need minor changes as mentioned above.	

Review Form 3

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
