

**Review Form 3**

Journal Name:	<a href="#">Asian Journal of Environment &amp; Ecology</a>
Manuscript Number:	Ms_AJEE_125606
Title of the Manuscript:	<b>The Role of Organic Amendments and Their Impact on Soil Restoration: A Review</b>
Type of the Article	<b>Review Article</b>

## Review Form 3

### PART 1: Review Comments

<b>Compulsory</b> REVISION comments	<b>Reviewer's comment</b>	<b>Author's Feedback</b> (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.</b>	1. This manuscript helps to the researchers to enhance their knowledge for future experiments 2. Application of organic amendments helps to improves the properties of soil and also helps to get maximum yield. 3. Deficiency of organic matter is a major problem in Indian soil. Use of organic amendments will helps to improve organic matter or carbon dynamics in soil.  <b>SEE ATTACHMENT</b>	
<b>Is the title of the article suitable? (If not please suggest an alternative title)</b>	Yes title is suitable	
<b>Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.</b>	No add or delete	
<b>Are subsections and structure of the manuscript appropriate?</b>	Subsections and structure are not much good	
<b>Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.</b>	1. This manuscript is technically sounded and all information about effects of organic amendments on soil properties and health also. 2. This review is particularly relevant given its agricultural importance and unique characteristics, making the findings highly applicable and valuable 3. Effective for sustainable soil management practices and sustainable agriculture	
<b>Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.</b>	References are sufficient but references are not in APA style and all journals name should be in italic font	
<b>Minor</b> REVISION comments		
<b>Is the language/English quality of the article suitable for scholarly communications?</b>	Minor revision is required	
<b>Optional/General</b> comments	This manuscript is a knowledgeable and valuable contribution to the field, providing both theoretical insights and practical recommendations for the use of organic amendments in improving soil health and crop production.	

### PART 2:

	<b>Reviewer's comment</b>	<b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
