

Review Form 3

Journal Name:	Journal of Advances in Biology & Biotechnology
Manuscript Number:	Ms_JABB_125245
Title of the Manuscript:	Therapeutic Efficacy of Eucalyptus Oil as Teat Dip in Subclinical Mastitis in Goats
Type of the Article	Original Research Article

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Mastitis is one of the most important and economically devastating disease affecting the dairy animals throughout the world with economic losses (reduction of milk production and low-quality milk). Subclinical mastitis is common in goats and show no obvious anomalies. Herbal plants with antimicrobial efficacy and low side effects are suitable treatment for subclinical mastitis.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Using of <i>Eucalyptus globulus</i> as an antimicrobial herbal plant for treatment of subclinical mastitis in goats has novelty in this manuscript and also using of some following tests like MCMT, SCC, SPC and statistical analysis causes that this manuscript can be scientifically valuable.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	50% of references are old or too old (for more than 20 years ago!) that should be replaced by the new ones	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Approximately	
Optional/General comments	In the article	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<u>(If yes, Kindly please write down the ethical issues here in details)</u>
